Boys & Girls Clubs of the Blue Ridge

Since 2005, Boys & Girls Clubs of the Blue Ridge has been providing after school and summer programs in Martinsville and Henry County. We pride ourselves in offering a safe place to learn and grow, ongoing relationships with caring adult professionals, life-enhancing programs, and character development experiences. This year marks our 6th annual Blue Ridge Duck Race, since its inception, it has become one of the main fundraisers for our organization. Because of the support from local businesses and community members, the Blue Ridge Duck Race has been very vital in supporting our mission: enabling all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

New College Institute - STAGS Team 1262

New College Institute's FIRST Robotics Team 1262, known as the "STAGS" (Students Technologically Advancing for Greater Success) is comprised of area students from Martinsville and Henry County. In their 17th year, Team 1262 members are mentored by local engineers, teachers, and community leaders to design, build, and program a robot to complete a challenge in just six weeks. Through this challenge, each year members of the STAGS learn self-confidence, time management, leadership and teamwork skills. The ultimate goal of TEAM 1262 is to fulfill FIRST mission to inspire young people to be science and technology leaders, by engaging them in exciting mentor based programs that build science, engineering, and technology skills, that inspire innovation.
