OFFICIAL RULES & REGULATIONS OF THE 2020 REEDY RIVER DUCK DERBY

Presented by Greenville Evening Rotary Charities (referred to as Presenter, a 501(c) (3) Corporation (Tax Exempt Charity Tax ID #20-3973930).

1. A complete set of official rules for this race can be obtained from The Rotary Club of the Reedy River Greenville by sending a written request and a self-addressed stamped envelope to the following address: Rotary Club of the Reedy River Greenville, 518 Lancelot Drive, Simpsonville, SC 29681. Rules are also posted at reedyriverduckderby.com.
2. A number will be attached to each duck relating to the number on an entry ticket. Multiple duck entries from one ticket will be assigned additional duck numbers for identification. The person's name who appears on the entry ticket corresponding to the first duck in order of finish will be awarded the prize. A list of prizes can be obtained from the Presenter by sending a written request and a self-addressed stamped return envelope to Rotary Club of the Reedy River Greenville, 518 Lancelot Drive, Simpsonville, SC 29681. Prizes are also posted at reedyriverduckderby.com.
3. Winners will be announced at Falls Park at approximately 3:00 PM following the conclusion of the race on May 2, 2020. Winners will, where necessary, also be notified by phone. A winner is entitled to receive only the prize awarded and is responsible for all applicable federal and state taxes and license or registration fees payable in connection with that prize. No cash equivalent prizes will be provided in lieu of the designated prizes.
4. Million Dollar Duck: One Duck in every 3,000 ducks in the duck race will be randomly selected as a potential winning Million Dollar Duck by a third party. The winning duck numbers are selected prior to the race and kept in a sealed security envelope. When the first adopted duck in the first position crosses the finish line, a race official will determine whether the duck is one of the pre-selected million dollar winning ducks. If it is, the Entrant wins the million dollar prize. If it is not, the million dollar prize will not be awarded. The odds of being pre-selected as a potential winner of the Million Dollar Duck are approximately 1:3,000. The odds of being the 1st place duck and winning this prize are dependent upon the number of entries. The million dollar prize is paid in forty (40) equal annual installments of \$25,000 each without interest. A third party promotion company is under contract with the Presenter for this Million Dollar Duck promotion and is solely responsible for paying the million dollar prize. In no event shall the Presenter or its sponsors be liable for the million dollar prize. Entrant waives any and all claims against Presenter and its event sponsors as to the million dollar prize.
5. By entering, entrants release the Presenter, sponsors, employees, and their officers, directors, staff and other related entities from any and all liability with respect to prizes and to bodily injury or damage to property on the event site and surrounding parking areas, whether or not due to negligence of the Presenter, sponsors, and their officers, directors, staff and other related entities.
